We offer a reduction of 20 % of the download fees for members of EVU, BVSK or MAS.

Ordered Crash Test

Fee for an individually ordered crash test

First of all the costs depend on the test vehicles, but also on the complexity of the crash, the speed level and the damages resulting out of it, as well as the used measuring systems. We would be pleased to submit you an individual offer.

Example:
Ball vs. Window
v = maximum as possible
400 €

Example:
